

July 9, 2012

The Warren Township Supervisors met at the Municipal Building for their regularly scheduled meeting at 7:00 PM. All were present. Chairman, Mark Wheaton opened the meeting with the flag salute being given.

The secretary's report was read and approved.

The treasurer's report was given as follows:

State - \$156,050.48

General - \$267988.61

Rental & Donation - \$7676.28

OLD BUSINESS:

The New Dodge Ram dump truck has been ordered. It was paid for out of General funds. The added equipment will be added by Bradco and possibly paid out of the State Account. At that point, it will be decided if monies will be borrowed for the truck. If so, the money will be borrowed from The First Citizens Bank of LeRaysville.

Jerry Abell began working for the township on June 25th.

The salt brine plan has been submitted to DEP and we should have the permit soon.

Fred, Janice and Gene Raymond met with Jaselle from Haas Landscaping and finalized ideas for the park. Jaselle will be submitting the plan to Harrisburg this week. It would have been done sooner but James Pruynes office dropped the ball and did not send the required information to Haas timely. Changing out solicitor will be a top priority at our organizational meeting in 2013.

NEW Business:

Some road maintenance agreements were reviewed by the supervisors. They picked the one they would like to use as an agreement with Chesapeake. Secretary Young will have it typed for the next meeting.

Road Master's Report:

Reagan Hill Road has been completed - Greek Road has been completed and Montrose Turnpike will be finished within a few days.

All bills were reviewed and paid.

Meeting adjourned at 9:00 PM.

Janice Young, Secretary.
