Josh Ferrario from Five Star called to let us know a small township near Harrisburg might be interested in purchasing our grader. Townships are allowed to purchase from each other without a bidding process being necessary. He was told to move ahead and tell them they are welcome to come see the grader. We will sell to them for the same price we were offered for a trade-in from Five Star. The new grader should be here in late June or early July.

All Bill were reviewed and paid.
