OLD BUSINESS

The payroll auditor came to audit for Workman's Compensation.

The new pipes have all been installed and the bridge on Barnes Road is back! Dan Abell was hired to do excavator and loader work required from the flooding. Mr. Abell did an excellent job for us and was readily available whenever we needed him.

We rented a large loader from Bradco Supply to use for the work required on Allyn Run. It was badly damaged from the flood. The pipes were retrieved and re-installed. One was downstream ¼ mile and another 200 yards!

We have received no further information from Jonathan Foster regarding the Hawbaker letter.

NEW BUSINESS

A letter was received from the commissioners giving David Rutter a Veterans Exemption for taxes.

The Cook and Franklin Sub-Divisions were reviewed.

A letter was received from Landy and Landy stating the transfer taxes paid by the Dewings on August 16, 2016 were paid in error. Transfer taxes are not required for this land transaction. Mark made a motion to refund the tax and Gerald seconded.

The road master's report was given as per above.

All bills were reviewed and paid.

Meeting adjourned at 7:00 PM

Janice Young, Secretary
