OLD BUSINESS

The Dirt and Gravel Road Project on Wilson Road is almost complete. The final 2 RC surface will be placed on Wednesday. As soon as all the bills are in a final cost for project and cost to the township will be presented to the board.

NEW BUSINESS

The freightliner is in need of engine repair. Hopefully, that will be completed before the end of the year. Road Crossing Permits were signed for Repsol for Abell and Montrose Turnpike. The cost for each crossing is \$250 and has to be renewed yearly.

We received an e-mail from Andy Wenger wondering if a permit was required from the township for his wife to open a dog grooming business. A reply was sent that there is no requirement.

The Allis/ Geiger sub-division was reviewed.

All bills were reviewed and paid.

Meeting adjourned at 6:45 PM
