Following the Pledge of Allegiance, minutes from the previous meeting were read by Scott Williams. A motion was made to accept the minutes with corrections by Alan Gamble, seconded by Larry Loveland, and carried.

The treasurer's report was presented by Larry Loveland. A motion to accept the treasurer's report as read was made by Scott Williams, seconded by Alan Gamble, and carried.

Old Business:

Eight to ten points were identified that need to be updated in the Comprehensive Plan. Scott agreed to type the updates and attach them to each copy of the Plan so it may be updated at a later time when more significant changes are needed.

Cellular Service- Larry Loveland will follow up with a second letter to three companies requesting that they respond to his previous letter. No such letter sent to date.

Scott will contact the president of the fire company to see if they have an interest in the recycling program.

Alan Gamble said that Paul Moran is waiting for the new State-mandated format of the EOP.

Barb said that Gene Raymond no longer has the files from the newsletter. He said that it may also be possible to get a printer for the township for the printing of a newsletter. Larry stressed that such a newsletter requires a lot of time and dedication to prepare, and that it would be very difficult to duplicate the work of the Raymonds. Perhaps this could be done on the webpage instead of print.

Scott and Larry went to the Guthrie Inn for a zoning seminar only to learn that it was cancelled.

As there was no further old or new business, a motion to adjourn was made by Larry Loveland, seconded by barb Snyder, and approved. The meeting was adjourned at 7:46 p.m.

The next meeting is to be held on October 16, 2007 at 7:00 p.m. at the Warren Township Community Building.
