Joe presented the following roadmaster's report:

Tire repair on JD tractor and on CAT grader (loaner). A new radio was put in Western Star truck. Put DSA on many FEMA roads and graded. Dust control as needed. Received black cinders and have ordered 1B stone for cindering. Work has begun on the Reagan Hill Dirt and Gravel Road Project. Warren Township received an AWARD for D&G project of the Year for Coburn Hill Project.

**OLD BUSINESS**

Nothing further done on sale of old equipment. Grader has gone to John Deere. There have been so many problems since it was new and they are checking everything out. They gave us a John Deere grader as a loaner. June and Jim Moore will be sent a "thank-you" note for the beautiful restoration work they did on some benches in the park.

**NEW BUSINESS**

The women from CIBC have requested to use the voting on Wednesday afternoon for a Bible Study. The supervisors approved the request. Discussion was held regarding a containment for the gas and diesel fuel tanks. The ballfield was discussed and it was decided to prep the field this fall and add material in the spring to make the field more playable. There are new benches needed for the park. One needs to be added across from the Bar-B-Que pit and some new ones are needed for the playground.

All bills were reviewed and paid.  
Meeting adjourned at 6:45 PM.  
Janice Young, Secretary
