Following the Pledge of Allegiance, minutes from the previous meeting were read by Scott Williams. A motion was made by John Hayes, seconded by Russ Dewing, and approved to accept the minutes as read.

The treasurer's report was presented by John Hayes for Larry Loveland. A motion was made by Scott Williams, seconded by Barb Snyder, and approved to accept the treasurer's report as read.

John Hayes confirmed that recent Thank You letter to the Bradford County Planning Commission should be included in the meeting minutes.

Scott Williams said he will express the interest of the commission in the review of Major Subdivisions which re presented to the commissioners.

There was a discussion of reducing the frequency of commission meetings due to poor attendance and few substantive issues. Results of a bylaws search by Larry Loveland described how the meeting frequency could be amended. John Hayes suggested that the commission needs to seek new tasks and identify those which warrant further effort in order keep the commission viable. The group identified these interesting tasks:

- History of Warren Township
- Recycling program
- Business directory
- Website updates & maintenance
- Historical markers
- Ordinance compilation
- Other directives from supervisors

It was agreed to focus on developing these possibilities instead of reducing the meeting frequency.

New Business discussions included formation of a subcommittee to update the Comprehensive Plan. This group may be developed when future tasks are discussed.
